

## **ASCENT Authors Teach Classes and Exhibit at Autodesk University 2014**

***ASCENT covers all the bases at Autodesk University: Experts teaching classes and available at the “Ask the Guru” counter in the Autodesk Certification Lounge, Autodesk Official Training Guides in the Exhibit Hall and Certification Preparation Books on Amazon.com***

**BALTIMORE, MD — November 18, 2014** — [Rand Worldwide](#) (OTCBB: RWWI), a global leader in providing technology solutions to organizations with engineering design and information technology requirements, today announced that its courseware division, [ASCENT- Center for Technical Knowledge](#), will have experts delivering five classes at Autodesk University (AU) 2014. In addition, ASCENT will showcase, and have available for purchase, a selection of [2015 Autodesk Official Training Guides \(AOTG\)](#) along with their [Official Certification Preparation books](#), at booth #249 from December 2-4 at the Mandalay Bay Hotel and Casino in Las Vegas, NV.

“Whether it’s at an AU class, at the ‘Ask a Guru’ station in the Certification Lounge or at our ASCENT booth, our ASCENT authors and subject matter experts can be found sharing their expertise with others attending AU,” says Paul Burden, director of product development, ASCENT. “Our authors are passionate about sharing their Autodesk product insights, and for those who are preparing to take an Autodesk Certification exam at AU, we encourage them to get a head start on their exam preparation by taking advantage of our Official Certification Preparation books which cover the exam objectives and are now available on Amazon.com.”

As the sole provider of [Autodesk Official Training Guides \(AOTG\)](#), ASCENT will showcase 34 titles from their Autodesk 2015 courseware line-up at booth #249. For AU attendees, ASCENT will be offering a special show discount on courseware in both hardcopy and eBook formats.

Specifically designed to help users prepare for the Autodesk Certification exams, ASCENT’s Official Certification Preparation books contain a collection of relevant instructional topics, practices, and review questions from the Autodesk Official Training Guides pertaining specifically to the Certified Professional exam topics and objectives. Attendees planning to take the exams at AU are encouraged to purchase their guides from Amazon.com so they can prepare ahead of time.

### **ASCENT Official Certification Preparation books on Amazon.com**

- [AutoCAD 2015 Review for Certification](#)
- [AutoCAD Civil 3D 2015 Review for Certification](#)
