

ASCENT Delivers Expert-Led Class and Exhibits at Autodesk University 2016

ASCENT Showcases a Complete Suite of Learning Solutions Including eLearning Courses, Custom Manuals, Printed Books and Video-Enhanced Courseware

Owings Mills, MD — October 25, 2016 — [Rand Worldwide](#) (OTCBB: RWWI), a global leader in providing technology solutions to organizations with engineering design and information technology requirements, today announced that its courseware division, [ASCENT— Center for Technical Knowledge](#), an Autodesk Authorized Publisher, will host an expert-led class and also exhibit at Autodesk University (AU) 2016. ASCENT will also showcase a full range of learning solutions, including eLearning courses, customized learning materials, digital site licenses, and have available for purchase, a selection of their 2017 [Autodesk Training Guides](#) and [Official Certification Preparation books](#) at booth #2705. Attendees can also test drive ASCENT's [Video-Enhanced eBooks](#) for 2017 Autodesk software on iPads located at the booth. AU 2016 takes place from November 15 to 17, 2016 at the Venetian Resort and Casino in Las Vegas, NV.

"Once again at Autodesk University, ASCENT will be showcasing our learning products and services and have one of our authors leading a popular AU class," says Paul Burden, director of product development, ASCENT. "As an Autodesk Authorized Publisher, our team has worked hard throughout the year to update existing titles to the 2017 version and to offer new titles for software such as Fusion 360 and Autodesk CFD. We invite everyone to visit us in the Exhibit Hall to speak with our authors and learn more about how out-of-the-box and custom solutions from ASCENT can support the performance Autodesk software users."

ASCENT will showcase over 20 titles from their Autodesk 2017 courseware line-up at booth #2705. For AU attendees, ASCENT will be offering a special show discount on courseware in hardcopy, eBook, Video-Enhanced eBook and eLearning formats. Attendees can pick up their discount code at booth #2705. This promotional code will be valid until December 31, 2016.

[Michelle Rasmussen](#), senior instructional designer for ASCENT and a civil engineering industry expert, will be on hand to share her expertise at booth #2705. She will also share her training, support and implementation expertise for Autodesk infrastructure solutions with a class at AU 2016. Visit Michelle at the ASCENT booth or register for her AU 2016 class: [Do You Cross the Bridge or Fade Away?](#)

About ASCENT

[ASCENT](#) develops professional training courseware and technical documentation for engineering applications including those from Autodesk, Dassault Systèmes and PTC. ASCENT is an Authorized Publisher and Developer of Autodesk curriculum.
