

ASCENT– Center for Technical Knowledge Brings Comprehensive Training Curriculum to the American Society of Plumbing Engineers Expo

In Booth #151 eLearning Bundles, Custom Manuals, Digital Site Licenses and Training Courseware Available to Facilitate Design Software Proficiency for Mechanical, Electrical and Plumbing Engineers

Owings Mills, MD — October 18, 2016 — [Rand Worldwide](#) (OTCBB: RWWI), a global leader in providing technology solutions to organizations with engineering design and information technology requirements, today announced that its courseware division, [ASCENT– Center for Technical Knowledge](#), will showcase training materials for design engineering CAD software tools most commonly used by those in the mechanical, electrical and plumbing industry at the American Society of Plumbing Engineers (ASPE) 2016 Convention and Expo in Phoenix, Arizona from October 31 to November 1, 2016.

“It’s a first for us to be in front of the members of the ASPE community, sharing our learning solutions and experience with mechanical, electrical and plumbing professionals at the ASPE Expo,” says Paul Burden, director of product development for ASCENT. “While attendees may be familiar with our training courseware for Autodesk, Dassault Systèmes and PTC, they may not know that ASCENT also offers customized courseware, eLearning solutions, and digital site licenses that allow unions and other large groups to print custom learning materials on-demand.”

Booth #151 is Learning Central at ASPE 2016

Attendees are invited to booth #151 to browse ASCENT’s sampling of learning materials for Autodesk, Dassault Systèmes and PTC software products. As well, attendees will have an exclusive Q&A opportunity with ASCENT’s Autodesk Revit expert, [Martha Hollowell](#). Martha is the author of ASCENT’s Autodesk Revit Architecture, Revit Structure and Revit MEP training materials. Visitors to the booth will also receive a promo code to save 25% off training materials. This code will be valid until December 31, 2016. ASCENT’s line-up of books at the booth include:

- [eBooks for Autodesk, Creo and CATIA](#)
- [AutoCAD®/AutoCAD LT® 2017 \(R1\): Fundamentals](#)
- [Autodesk® Inventor® 2016 Tube and Pipe Design](#)
- [Autodesk® Revit® 2017 \(R1\) MEP Fundamentals](#)
- [Autodesk® Revit® 2016 Architecture: Review for Certification](#)
- [Introduction to Plant Design® 2016](#)

ASCENT training courseware materials are available for purchase from ASCENT’s [eStore](#) and [Amazon.com](#).

About ASCENT

[ASCENT- Center for Technical Knowledge](#) develops professional training courseware and technical documentation for engineering applications including those from Autodesk, Dassault Systèmes and PTC. ASCENT is a member of the Autodesk Authorized Publisher program, and produces training guides, eBooks, Video-Enhanced eBooks, Instructor Tools and eLearning Bundles which are available to educational institutions and training centers, individuals and corporations and can be purchased directly from the [ASCENT eStore](#) (for volume sales, contact an ASCENT representative). For more information, visit the [ASCENT website](#) and follow ASCENT on Twitter at [@ASCENT_CTK](#).

About Rand Worldwide

Rand Worldwide is one of the world's leading providers of professional services and technology to the engineering community, targeting organizations in the building, infrastructure and manufacturing industries. www.rand.com
