

IMAGINiT Sponsors Autodesk Accelerate 2022 LIVE Conference

*IMAGINiT helps business leaders connect,
network and share ideas to tackle digital transformation*

BALTIMORE, MD — May 18, 2022 — At [Accelerate 2022 LIVE](#), an exclusive, Autodesk event, senior leaders from across the product design and manufacturing sector share best practices and real-world insights on digital transformation strategies that help drive innovation, accelerate productivity and empower manufacturing teams in a competitive marketplace. Running from May 16 to 18, 2022 at the Sheraton New Orleans Hotel, Accelerate offers C-level executives, operations leaders and engineering managers the opportunity to dive into conversations focused around the critical success factors of digital transformation. [IMAGINiT Technologies](#) has been a sponsor of this event since its 2014 debut and look forward to being back in person at this year's event.

"Year after year people come together at Accelerate because it allows unprecedented access to thought leaders from Autodesk and IMAGINiT, as well as the opportunity to learn first hand from innovative peers in their industry," says Jason Barnett, vice-president, manufacturing and product lifecycle management, IMAGINiT. "This event is a great platform for open dialogue with our experts who work alongside customers in the manufacturing and utility industries and who will be on hand to share ideas, lessons learned as well as first hand experience implementing digital transformation initiatives. Digital transformation is a journey and this event is a great first step."

In addition to peer to peer networking opportunities, Autodesk's Accelerate conference also offers structured learning through featured keynotes, panel discussions and analyst presentations. For example, on May 18, Rodney Kron, materials analyst with [IMAGINiT client Superior Essex Communications](#), will share how a digital transformation strategy improved operational efficiencies and employee productivity.

To hear more stories from industry leaders and peers, as well as connect with IMAGINiT's executives, manufacturing and PLM thought leaders, join us at Autodesk's Accelerate 2022 LIVE. For more information on how IMAGINiT can help you succeed with your digital transformation initiatives, [contact](#) an IMAGINiT representative.

About IMAGINiT Technologies

[IMAGINiT Technologies](#), a division of [Rand Worldwide](#), advances the way architects and engineers design, develop, and manage projects. Customers of this leading professional services and technology company include organizations in the building, infrastructure, manufacturing, and facilities management industries. Organizations of all sizes work with IMAGINiT Technologies to gain competitive advantages through expert technology consulting, implementation, training, and support services. As one of the world's largest integrators of Autodesk 3D design and engineering software, the team leverages unrivaled industry experience to design systems that accelerate innovation while improving project quality and profitability.
