

IMAGINiT Technologies Earns Autodesk Platinum Club Award

IMAGINiT Leads the Autodesk Channel for New Subscription Sales in the USA and Canada

BALTIMORE, MD — MARCH 22, 2018 — For the fifth year in a row, [IMAGINiT Technologies](#) has been awarded a coveted Autodesk Platinum Club Award at the Autodesk One Team Conference in Las Vegas, Nevada. For the 2018 Autodesk fiscal year, IMAGINiT has been named Top Reseller in New Subscriptions Sold in the US and Canada.

“The Autodesk Platinum Club Awards recognize an elite group of global partners for top sales performance and customer service,” says Ken Manoff, senior director, Americas Channel Partners, Autodesk. “We’re excited to see IMAGINiT’s consistent value to customers. Thanks to the entire IMAGINiT team.”

IMAGINiT’s position as a leader in new subscription sales can be attributed to the company’s deep-rooted customer-first culture. A dedicated team of Autodesk certified experts, licensed engineers and architects help customers select the appropriate design engineering solution and derive maximum value from their Autodesk software. Through education, implementation and consulting, IMAGINiT experts continually work with customers in design, manufacturing, simulation and analysis to bring ideas from concept to reality.

“I am very proud of our entire team for winning this prestigious award for the fifth year in a row and thank Autodesk for acknowledging our efforts and results,” says Larry Rychlak, president and chief executive officer, Rand Worldwide. “This achievement is a testament to our commitment of providing outstanding customer service and expertise in helping customers understand and unlock the value in moving to a subscription-based software model. I also thank every one of our customers for the continued confidence they show in our ability to help them better achieve their business objectives.”

About IMAGINiT Technologies

[IMAGINiT Technologies](#), a division of [Rand Worldwide](#) (OTCBB: RWWI), advances the way architects and engineers design, develop, and manage projects. Customers of this leading professional services and technology company include organizations in the building, infrastructure, manufacturing and facilities management industries. Organizations of all sizes work with IMAGINiT Technologies to gain competitive advantages through expert technology consulting, implementation, training, and support services. As one of the world’s largest integrators of Autodesk 3D design and engineering software, the team leverages unrivalled industry experience to design systems that accelerate innovation while improving project quality and profitability.
