IMAGINiT Technologies Acquires PacifiCAD

Acquisition Expands Employee and Customer Base in Pacific Northwest

OWINGS MILLS, MD – March 15, 2017 – [Rand Worldwide](#) (OTCBB: RWWI), a global leader in providing technology solutions to organizations with engineering design and information technology requirements, today announced that its [IMAGINiT Technologies](#) division has acquired PacifiCAD, an Autodesk Gold Partner headquartered in Spokane, Washington.

“We are very pleased to welcome PacifiCAD’s employees and customers to the IMAGINiT team and are excited about the expansion of our operations in the Pacific Northwest,” says Larry Rychlak, president and chief executive officer of Rand Worldwide. “PacifiCAD’s team has spent many years building this great business and forging strong relationships with its many loyal customers, and we are committed to continuing to provide the excellent product knowledge, services and support that PacifiCAD’s customers have been receiving. Those customers will now have access to over 200 IMAGINiT sales and technical professionals as well as our broad range of software and services solutions to help them solve their business problems.”

“Focusing on the customer for more than 25 years is the reason we have become a highly respected provider of Autodesk solutions in the Pacific Northwest,” says Ron Reed, chairman and CEO, PacifiCAD. “With IMAGINiT’s exceptional customer service ratings and innovative service offerings, we know that we are placing our employees and customers with a Company that shares our commitment to excellence and is well equipped to handle all of their design and engineering needs.”

PacifiCAD customers join a growing subscriber base as IMAGINiT continues to expand throughout the US and Canada. As an Autodesk Platinum Partner with more than 40 offices, IMAGINiT provides subscribers with access to a wide network of technical experts in architecture, engineering, construction and manufacturing. IMAGINiT’s customers benefit from software recommendations, implementation, consulting and training as well as industry leading insights via IMAGINiT’s [ProductivityNOW](#) knowledge base. Subscribers also have complimentary access to software installation support and downloadable, time-saving productivity Utilities for [Autodesk Revit](#), [Autodesk AutoCAD Civil 3D](#) and [Autodesk Vault](#) software via the ProductivityNOW portal.
