

IMAGINiT Technologies' Singapore Office Earns Platinum Award at Autodesk's One Team Conference

SINGAPORE, April 9, 2013 – [Rand Worldwide](#) (OTCBB: RWWI), a global leader in providing technology solutions to organisations with engineering design and information technology requirements, announced that its [IMAGINiT Technologies](#) Singapore division received Autodesk's coveted Platinum Award for Year-Over-Year Growth in Architecture, Engineering, and Construction (AEC) Sales.

IMAGINiT's sales team also earned the 90/90 award for outstanding attach and renewal rates while IMAGINiT's marketing team received a Platinum Award for the best Marketing Reseller in the entire Autodesk channel for Autodesk's FY13. Also, Marcus Yeo from IMAGINiT's Singapore office was recognized for his exceptional sales and customer service. The awards were presented last month at Autodesk's One Team Conference in Las Vegas, Nevada.

"Earning these prestigious awards from Autodesk validates our hard work in delivering the best possible AEC solutions to the Singapore design and engineering market," said Japri Maming, director, IMAGINiT Technologies, Singapore. "It's proven to be a winning combination when our team focuses on ensuring our customers receive the absolute best software, implementation, training and consulting that's geared to solve their design and engineering challenges."
